

PUBLIC MEETING ANNOUNCEMENT

Edith Boulevard Phase II Improvement Project

Bernalillo County will hold an open house meeting to provide information about proposed improvements to Edith Boulevard between Candelaria Road and Montano Road. The public is invited to participate in this meeting. Your input is welcomed and desired.

An alignment study is currently underway that evaluates the need for the project, proposed solutions, and the likely effects that the project would have on neighborhood businesses and residences, traffic, drainage, and the environment. Information will be provided about the plan to widen Edith Boulevard, the drainage improvements included in the project, and potential changes to access and driveways.

Study team members will be available between 6:30 and 8:00 p.m. You are welcome to arrive at any time to view project information and speak with study team members.
